1. The basis for and effect of the General Meeting being held entirely by electronic communication

- 1.1 Sasol is permitted in terms of the Companies Act to hold a shareholders' meeting entirely by electronic communication if its MOI does not prevent this (which the Sasol MOI does not).
- 1.2 The decision has been taken by the Board that it is appropriate to hold the General Meeting entirely by electronic communication in accordance with the provisions of clause 20.1.7 of the Sasol MOI read with section 63(2) of the Companies Act.
- 1.3 Participants will accordingly only be able to Participate in the General Meeting by electronic communication, in accordance with the provisions of the Companies Act.
- 1.4 In accordance with section 63(1) of the Companies Act, before any Intended Participant may Participate in the General Meeting, that person must furnish (by Presentation) reasonably satisfactory identification and the person presiding at the meeting must be reasonably satisfied that the right of that Intended Participant to Participate has been reasonably verified. The Company will accept a valid South African identity document, a valid driver's licence or a valid passport as satisfactory identification.
- 1.5 Any Intended Participants wishing to Participate in the General Meeting should deliver written notice to the Transfer Secretary containing a valid email address for the person wishing to Participate, which written notice must be accompanied by:
 - 1.5.1 if the Intended Participant is a natural person, a copy of his/her identity document or valid passport or valid driver's licence to enable the Intended Participant to be verified;
 - 1.5.2 if the Intended Participant is not a natural person, a copy of a resolution passed by it (which resolution must set out the identity of the natural person who is authorised to represent the Intended Participant at the General Meeting and a copy of the identity document or valid passport or valid driver's licence of the natural person who is authorised to represent the Intended Participant;
 - 1.5.3 if the Intended Participant is a Sasol Beneficial Owner with his/her/its Sasol Shares registered in the name of a Dematerialised Nominee Shareholder, a copy of the document/s referred to in paragraph 1.5.1 and/or paragraph 1.5.2 above and a copy of the letter of representation issued by the Dematerialised Nominee Shareholder, which shall contain the identity number of the Sasol Beneficial Owner,

as soon as possible but preferably by no later than 09h00 on Friday, 13 November 2020. This is necessary in order to obtain a user name and a unique nine-digit meeting identity code, without which it will not be possible to Participate. Sufficient time is needed for the Transfer Secretary to verify the Intended Participant and then assign a user name and a unique nine-digit meeting identity code which reflects the number of Sasol Shares in respect

of which voting is permitted. (If the number of Sasol Shares reflected is nil, the Intended Participant will be able to attend the General Meeting and view the proceedings as a Guest but will not be able to ask questions, make comments or vote.) However, Participants may still register online to Participate in and/or vote at the General Meeting after Friday, 13 November 2020, provided, that for those Participants to Participate (including voting) at the General Meeting they must be verified and registered (as required in terms of section 63(1) of the Companies Act by providing the Transfer Secretary with their relevant verification documentation referred to in paragraphs 1.5.1, 1.5.2 and 1.5.3 above) before the commencement of the General Meeting. If Participants do not get their details verified on or before the date and time specified in this paragraph, it will be very difficult for Sasol to verify the Participants' details in time for the Intended Participants to be able to Participate in the General Meeting and the Intended Participants must understand that there is a risk that this cannot be done in time for Participation in the General Meeting.

- 1.6 Participants and Guests will access the webcast facilitated by Lumi for the General Meeting in order to Participate. Participants and Guests will connect to the General Meeting through <https://www.web.lumiagm.com> or by downloading the Lumi AGM app from the Apple App Store or Google Play Store and following the relevant prompts. The General Meeting ID is **142-952-100**. Participants and Guests are referred to paragraph 1.5 above for further instructions for Participation in the General Meeting. After accessing the webcast, a Participant or Guest will be required to follow the messaging instructions which will appear on the screen of the device used by the Participant or Guest in order to Participate in, or view proceedings at, the General Meeting. The webcast facilities ordinarily enable all Participants and the Board to communicate concurrently with each other in the General Meeting, in the case of Participants, by posting written questions and viewing all written questions posted by other Participants and listening to the Board as it speaks and responds to questions tabled and generally to Participate reasonably effectively in the General Meeting.
- 1.7 An Intended Participant will receive Guest status if he/she/it does not furnish the necessary identification documents and/or, if applicable, a letter of representation.
- 1.8 Sasol will make the webcast facilities available via Lumi for the duration of the General Meeting at no cost to the Participants or Guests. However, any third-party costs relating to the use or access of the webcast facilities will be for the Participant's or Guest's account.
- 1.9 By using the webcast facilities, the Participants or Guests agree that Sasol will not bear any responsibility or liability, under any applicable law, regulation or otherwise, for any loss, liability, cost, expense, damage, penalty or claim arising in any way from using the webcast facilities including, without limitation, any malfunctioning or other failure of the webcast facilities or loss of network connectivity or other network failure due to insufficient airtime, internet connectivity and/or power outages which may prevent the Participant or Guest from Participating in the General Meeting, whether or not as a result of any act or omission on the part of Sasol or anyone else.
- 1.10 In terms of the Sasol MOI, voting at the General Meeting is by way of a show of hands, unless certain categories of people demand a poll, one of whom is the chairman. As it will not be possible for votes to be taken by a show of hands, the chairman will demand a poll on all the Resolutions at the start of the General Meeting.

- 1.11 Participants will be able to change any vote they may have cast in respect of any resolution at any time during the voting process until the voting closes, which will be shortly before the end of the General Meeting. The chairman will announce when closing of voting is imminent. Once the voting closes, Participants will not be able to change any vote cast in respect of any resolution.

2. If you are a Sasol Beneficial Owner

- 2.1 Your CSDP or Broker should contact you in the manner stipulated in the agreement concluded between you and your CSDP or Broker to ascertain:
 - 2.1.1 whether you wish to Participate in the General Meeting in person, in order to furnish you with a letter of representation. Your CSDP or Broker may be able to give you a letter of representation which identifies not only you, but also some other person/s nominated by you to Participate in the General Meeting if for any reason you are unable to do so;

- 2.4 If you have received a letter of representation from your CSDP or Broker and you are not able to attend the General Meeting, you will be entitled either:
 - 2.4.1 to inform your CSDP or Broker and request it to cancel the letter of representation and vote in accordance with paragraph 2.1.2 above; or
 - 2.4.2 to inform any other person whose name appears on the letter of representation to Participate instead of you or if only your name appears on the letter of representation, to inform your CSDP or Broker to issue the letter of representation in the name of another nominated person. In that event you will need to ensure that the alternative person is verified in accordance with paragraphs 1.5.1, 1.5.2 and/or 1.5.3 on page 1 of this Circular.

7. Joint holders

Where there are joint holders of Sasol Shares, any one of such persons may vote at the General Meeting in respect of such Sasol Shares as if that person is solely entitled thereto, but if more than one of such joint holders are present at the General Meeting, the person whose name appears first in Sasol's Register in respect of such Sasol Shares or its/his/her proxy, as the case may be, shall alone be entitled to vote in respect of such Sasol Shares.
